[Col 3,1-4](#)

[Gv 20,1-9](#)

Così san Serafino di Sarov, un Monaco russo vissuto fra il 1700 e il 1800, era solito salutare quanti incontrava. E in

quell'espressione intendeva racchiudere tutta la sua esperienza di solitudine, di sofferenza, di prova, che era stata illuminata da una certezza: Cristo è risorto! In un certo modo il cammino quaresimale ha fatto sperimentare al popolo cristiano le medesime dimensioni, orientandole alla speranza che i momenti di buio nella vita non sono mai definitive, perché ciò che resta è la luce della risurrezione. È come un momento di nascondimento, perché si riveli la gloria di Cristo e la nostra gloria insieme alla sua.

Did You Know ...?

The determination of the date of Easter is quite complicated. An approximate description would be: Easter Sunday is the first Sunday after the Full Moon, also called the Paschal Full Moon, following the vernal (spring) equinox in the Northern hemisphere (March 21). Consequently, Easter never occurs before March 22 or after April 25. Easter Sunday was April 25 in 1943 and it will be again in 2038. Likewise, Easter Sunday was March 22 in 1818 and the next one will be 2285!

Next ShareLife Sunday is May 7, 2017
La prossima domenica di ShareLife è il 7
maggio 2017.

Per favore dona generosamente.
