**Vivere il Vangelo prendendoci cura degli anziani...**

"La parole non possono esprimere tutta la nostra gratitudine ad Elizabeth ed alla *Society of Sharing* per aver dato alla nostra mamma un nuovo apprezzamento della vita.

Prima che avessero inizio le visite, promosse da questo programma, nostra madre era fortemente depressa ed abulica. Da quando Elizabeth iniziò a farle visita la sua vita è cambiata. Elizabeth è una volontaria piena d'energia, gentile, premurosa, entusiasta e con l'hobby della pittura. La giovane ha deciso di condividere con nostra madre questo suo talento iniziando a darle lezioni di pittura con colori acrilici. Lo stimolo dell'intelletto è stato eccezionale e ha prodotto un miglioramento dello stato di salute e della qualità di vita di nostra madre che si rilassa e si concentra sui suoi progetti artistici." L'anno scorso le agenzie impegnate nelle visite ed incontri con gli anziani hanno assistito, grazie all'appoggio finanziario di ShareLife, oltre 2.200 persone anziane.

**La prossima domenica di ShareLife è il 4 giugno  
Per favore dona generosamente.**

**Did you Know**

Philip, mentioned in today's first reading, also known as Saint Philip the Evangelist, is one of the "seven men in good standing" chosen to care for the community (Acts 6:1-7 - last week's first reading). In that quality, he was one of the first deacons of the church. He was also an evangelist as we learn from today's first reading. He is distinct from Saint Philip the Apostle, who was one of the twelve.

**Living the Gospel by caring for the elderly...**

"Words cannot convey our gratitude to Elizabeth and to the Society of Sharing for giving our mother a new meaning to her life. Before the friendly visit program started, our mother was very depressed and unmotivated. However, her life changed when Elizabeth started to visit her. Elizabeth is a very kind, energetic and enthusiastic volunteer and her hobby is artwork. She decided to share her talent with our mother and has been giving her art lessons in acrylic painting. The intellectual stimulation has been tremendous and, as a result, has enhanced her health and her quality of life as she relaxes and focuses on her art projects. Thank you again, for all your support."

**Last year ShareLife-supported agencies provided outreach programs that met the needs of over 2,200 seniors.**
