**Children in Church**

A little boy was attending his first wedding.

After the service, his cousin asked him, "How many women can a man marry?"

"Sixteen," the boy responded. His cousin was amazed that he had an answer so quickly.

"How do you know that?"

"Easy," the little boy said - "All you have to do is add it up, like the pastor said, 4 better, 4 worse, 4 richer, 4 poorer."
